

What are the benefits of the Sowsoft Partner Program?

Membership is absolutely free

Our program does not involve any third party or costly sign-up fees. If you register as our partner you work directly with us and start earning money after the registration. Earning money with us is easy.

Partnership is easy

You don't need to have specific education in IT or marketing to become our partner.

Excellent partner support

We are always ready to answer all of your questions and offer advice on sales and marketing strategies, technical characteristics and so on. We consult bulk buyers by phone. We work personally with each partner, providing ongoing support to ensure you earn well.

Partner Certificates

Partners receive Partner Certificates after sign up.

Free copy of Effective File Search

Partners can order a free copy of Effective File Search.

Renewal policy

Some software creators sell renewals directly. Our partners have the right to sell Effective File Search renewals. Selling our program you obtain a constant revenue pipeline. Having bought Effective File Search once, user won't refuse to buy its renewals!

Easy to sell

There are plenty of software products that can help you execute effective search of documents and other data on your computer. Each of them has its pros and cons. Effective File Search has certain advantages of its own. It is the development of a standard Windows version, that's why you don't need any special training or skills to operate it. At the same time it offers a great range of new useful operations. Moreover you can set some every-day processes to be performed automatically which will help you save considerable amount of time for other work. It is easy-to-use and flexible software, besides it has low price. Such program is easy to sell.

Discounts for every partner!

All our partners are allowed 20% discount. If your sales show constant growth, we may contact you to offer a higher discount (up to 50%) and a credit line that allows you to order licenses before paying for it.

Special attitude

Do you have a larger volume order? Feel ready to build a constant sales pipeline? Just contact us and we'll come to a mutually beneficial combination of pricing and reseller discount.

Flexible pricing

We indicate recommended prices for Effective File Search. Our partners have the right to settle the final price for the program. We do not make our partners stick to strict price policy.

PR support

We include Premium Resellers to our regular partner PR support programs.

Partner Newsletter

Our partners may sign up for Sowsoft Partner Newsletters.

And the last but not the least — the product we offer you to sell, Effective File Search, is one of the best in its category. Moreover it has the lowest price for the program of its quality.
